Designated Safeguarding Lead: Mr Russell Martin

Mission Statement/Introduction

We are a TaeKwon-Do club which aims to provide quality martial arts instruction to adults and children in the Bristol area. We strive to ensure our clubs and classes have a safe, welcoming, family friendly atmosphere whilst still maintaining the core tenets of TaeKwon-Do; Courtesy, Integrity, Perseverance, Self-Control and Indomitable Spirit. Safety is at the core of what we do – it is essential that all of our members, from the very youngest beginners to the more senior black belt instructors, can train and feel safe in the environment we provide.

Policy statement

Bristol North and Bristol South TaeKwon-Do and its instructors believes everyone has the right to live free from abuse or neglect regardless of age, ability or disability, sex, race, religion, ethnic origin, sexual orientation, marital or gender status. We actively encourage our students and instructors to be aware of safeguarding and reporting procedures and maintain an open door policy for the raising of concerns in a private, discrete way to be handled in a timely fashion.

Scope

This policy applies to our TaeKwon-Do students, their families and friends, as well as our qualified instructors.

Purpose

This policy aims to cover:

- The legislation, our commitment and procedures for safeguarding adults.
- Our role and responsibility for safeguarding adults.
- What to do or who to speak to if someone has a concern relating to the welfare or wellbeing of an adult within the business.

Implementation

In practice this means that our clubs will put this policy into practice by:

- Ensuring those wishing to become instructors are thoroughly vetted (e.g. DBS checks)
- having a designated safeguarding lead
- communicate the policy (this will always be shown on our website at <https://www.tkdbristol.com/safeguarding/>)
- have a code of conduct for instructors (this will be given to all new instructors and will be available on our website).

- have undertaken safeguarding training (this is part of the instructor's qualification provided by our governing body, the International Taekwon-do Council, and is followed up with refresher courses every three years).
- have a commitment to ensuring that adult safety is included in risk assessments

Legislation – what is adult safeguarding?

The practices and procedures within this policy are based on the principles contained within the UK legislation and Government Guidance and have been developed to complement the Safeguarding Adults Boards policy and procedures.

They take the following into consideration:

- The Care Act 2014
- The Protection of Freedoms Act 2012
- Domestic Violence, Crime and Victims (Amendment) Act 2012
- The Equality Act 2010
- The Safeguarding Vulnerable Groups Act 2006
- Mental Capacity Act 2005
- Sexual Offences Act 2003
- The Human Rights Act 1998
- The Data Protection Act 1998
